

---

## Who can Join?

Everyone has skills to offer.

If you can provide a product or service to other people, you can earn FrogLETS to obtain other products and services!

Caister FrogLETS provides you with an opportunity to help others with whatever skills you have. You could earn FrogLETS with:

### **Skills you use professionally:**

(e.g. You own a store, you are a book keeper or a registered massage therapist)

### **Skills you use as a hobby:**

(e.g. You enjoy gardening, you make candles as a hobby, you like painting and redecorating)

### **Skills you used to use:**

(e.g. You were an auto mechanic or a therapist in the past)

---

## What is FrogLETS?

**Looking for some community spirit?**

**Do you ever need services but can't afford to pay for them?**

**Do you have skills that you can offer to other people in your local community?**

**Local Exchange Trading Schemes, are exactly that, a place in your local community where you can trade services and goods using a special points system known as FrogLETS.**

## How Does Caister FrogLETS work?

When you join Caister FrogLETS you pay a membership fee and open a FrogLETS account to track your transactions.

Members receive our LETS Directory (similar to the Yellow Pages). New Directories are sent to members on a regular basis.

You can contact members directly and negotiate trades using FrogLETS.

You can supply your goods and services to other Caister FrogLETS members using FrogLETS.

You will receive a statement at the end of each year with a list of your trading activities, although account balances can be obtained from FrogLETS at any time.

## Benefits of Joining Caister FrogLETS?

### Personal Benefits

Receive goods and services without cash

Update or learn new skills to market to others

### Community Benefits

FrogLETS stay in the community rather than travelling to a corporate office in another city or country.

Trading supports local producers and improves the local economy.

Trading creates its own community. Know your neighbours and like minded people and trade with people you know and trust.

FrogLETS helps people to develop and use both personal and business skills.

## Business Benefits?

Improve your cash flow or utilise under developed resources.

Less wastage by trading your excess goods.

Increase efficiency by trading services during off peak periods.

Receive an automatic interest free credit line.

Obtain business related services and supplies without cash.

Promote your business as supporting a local community group.

Access new and unique markets.

Create loyal customers.

General referrals.

Help extend the scope of your business.
