### **FrogLETS Account Holder's Agreement**

1. FrogLETS is a non profit organisation which provides an information exchange and recording service through which users can maintain a system of accounts for trading in local units called FrogLETS.
2. A FrogLET shall be considered to be equal in value to a united kingdom pound. The FrogLET exists only as an account entry. It never leaves the network and no bills or notes are issued. A FrogLET is created by a member in the act of obtaining goods and services from another member.
3. All accounts start at Zero
4. No interest is charged or paid on balances.
5. Account holders shall be willing to consider trading in FrogLETS. There is no obligation to trade. FrogLETS does not set trading terms. All amounts (in FrogLETS) are set by members involved in trading
6. FrogLETS will be transferred from one account to another only on the authority of the member providing the goods or service. Any transaction considered in appropriate or illegal will not be recorded.
7. An account holder may know the balance and trading activity of any other member
8. Accountability for taxes incurred by account holders is the obligation of those involved in the exchange. FrogLETS has no obligation or liability to report to taxation authorities or to collect takes on their behalf.
9. FrogLETS makes no warranty or undertaking as to the value, condition or quality of the items or services exchanged.
10. While all efforts are made to maintain confidentiality, FrogLETS cannot guarantee confidentiality of information in members accounts, nor necessarily be held liable for any breach of confidentiality.
11. Each member can trade down to a debit of 1000 (one thousand) FrogLETS. When a member approaches this limit, their future trading activity will be reviewed.
12. FrogLETS may act on behalf of the membership to seek explanation, account credit or satisfaction from any member whose conduct is considered to be contrary to the interest of other members. As a last resort, members may be removed from the network
13. Any member whose account is in debit and intending to close an account agrees to inform FrogLETS and makes every effort possible to settle their account by bringing it to zero

**I wish to join Caister FrogLETS and enclosing my joining fee of either £4 (unwaged) or £8 (waged)  
 After the first year, members will be charged 10 FrogLETS in addition to the pounds sterling charge above.**
